

Turning Bridge – About Us

Company Description

Turning Bridge is a leading managed services and outsourcing company delivering innovative laundry processing solutions to the healthcare and hospitality industry.

Founded in 2008, Turning Bridge is headquartered in Boston, Massachusetts and works with customers across the United States to assist them in becoming more efficient organizations.

Vision & Mission

We seek to effect dramatic change in how healthcare and hospitality companies utilize outsourcing to become more effective organizations. Turning Bridge will provide its clients with well designed integrated solutions that deliver industry best practices, superior quality and tangible benefits.

Our Core Values

At Turning Bridge our core values shape the culture and define the character of our company. They guide how we behave and interact with our customers, employees and community.

Client Value Creation

Improving our clients' operating performance, creating long-term, win-win relationships and focusing on execution excellence affords our clients to not only evaluate our current work but also serve as a foundational measure for future innovation and continuous improvement.

Integrity

Inspiring trust by taking responsibility, providing complete visibility, acting ethically and encouraging honest and open communication, we emphasize integrity in every aspect of our business. Our unrelenting commitment to honest, honorable practices results in a company that is trusted by our clients, employees and organizations with whom we interact.

Respect for the Environment and our Surroundings

Understanding that our services usually require significant consumption of our Earth's resources, protecting and preserving the environment is of utmost importance. We will always recycle, reuse and reduce our waste, and minimize our impact on the environment. Additionally, we recognize our responsibility to be active participants in our local communities. We look to engage, employ and improve the sourcing community that we operate within.

Respect for the Individual and their Well-Being

We value diversity, and strive to ensure that our company is an interesting and inclusive environment and that treats people as we would like to be treated ourselves. To that end, we recognize that as employers one of our single most important responsibilities is to provide a safe, working environment for our employees, contractors and clients.
